

What's Hot! HOT STYLE TIPS AND HOT BUYS TO TRY!

Style matters! With a new year right around the corner, now's the time to get your style in check. Hype Hair is here with hot styles and products just for you!

Color blocked hair with deep-set waves and a retro flair adds a dash of sophistication to your style.

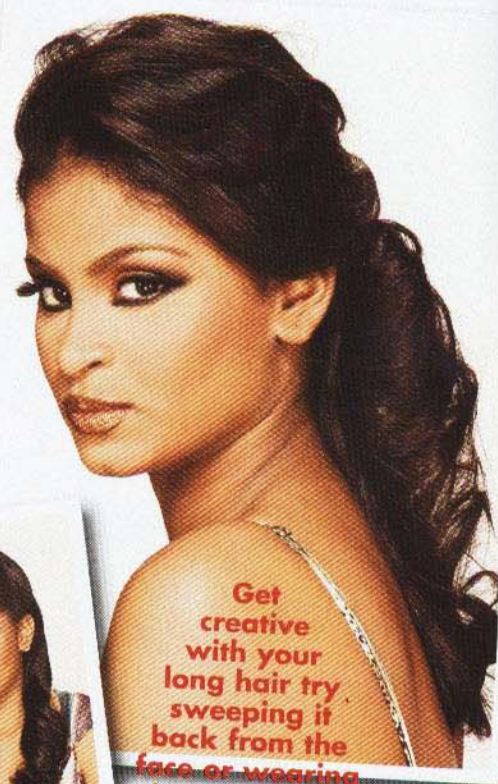

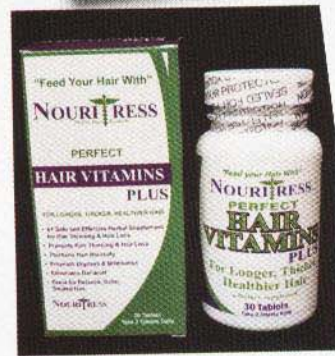

Makari de Suisse is a line of hair products specifically formulated to deal with the challenges of Black hair. The line has ingredients that moisturize and revitalize; the products are based on black pearl and caviar extracts. The **Hair Renewal Cream** is a hair repairing pomade that is formulated to hydrate and heal dried and damaged hair. The Hair Renewal Cream contains black pearl proteins that regenerate cells to improve the reconstruction of damaged hair, thus decreasing hair breakage.

Hair Growth Elixir

is formulated to hydrate and stimulate a natural moisturizing factor, vitamins A, E, D and B complex, provitamin B5 for regenerative and healing effects, and wheat proteins, which form a protective film on the hair, maintain ideal moisture conditions and improve the hair's strength and elasticity.

For more information, and to buy, log onto makari.com/HairCare.

Get creative with your long hair try sweeping it back from the face or wearing it rolled up at the crown.

Making her love for the product official, Grammy Award winning songstress Tionne "T-Boz" Watkins has teamed with NouriTress Perfect Hair Products to sing the praises of the system that brought her hair back to life. "I wasn't looking to endorse a product. I just wanted to be healthy, feel good and have beautiful hair again," said T-Boz, the former lead singer of the best selling female group of all time, TLC. It made my hair strong, alive and healthy again. So I believe in it. Call it an endorsement if you want. It's just the truth," T-Boz concluded.

Our Hype Hair Editors love this line of products some of which include: **NouriTress Perfect Hair Vitamins, NouriTress Perfect Hair Stimulating Scalp Shampoo, NouriTress Perfect Hair Stimulating**
